Update visual style to match existing search bars.

Style the search button to be attached and same color/size as the rest of the search on VA.gov. Put the icon in front of the text. See excel file under links for example

Current:

The current search interface features two tabs at the top: "Search by name" and "Search by location". Below the tabs is a search input field with the placeholder "School, employer, or training provider (*Required)". The input field contains the text "scad". To the right of the input field is a blue "Search" button with a white magnifying glass icon.

Update:

The proposed update shows the "Search by name" tab selected. The search input field now displays "Q Search" instead of "scad". The "Search" button remains blue with a white magnifying glass icon.
